**Subject:** Judge Details

Judges,

We are in the process of working on the judge details going beyond October of this year. We want to let you know of a few additional opportunities. We are going back to in-person at Chicago detained for IJs from any court, not just from the Chicago Court. We are also filling details for Adelanto East from any court, not just from the Los Angeles Court. Lastly, we are also filling details to the Oakdale Court from any court, not just from New Orleans.

As you know, Otero is now a VTC court and we are working closely with DHS to turn other E.O. detail locations over to VTC as well. As a reminder, you can email myself, DCIJ Cheng and Melissa Bauder with any volunteer locations or times at any time. Many of you have volunteered; this makes a huge difference on the impact of details to your fellow judges and is much appreciated!

We are looking for two volunteers to fill a one-week detail to Oakdale the week of Thanksgiving, flying in on a Sunday and leaving on the Wednesday before Thanksgiving, if you would like to volunteer please let Mary, Melissa and I know.

We do have a few substitutions in details we will have to make for October due to other changes at some of the courts; we will notify everyone this week.

On behalf of CIJ Keller, DCIJ Cheng, myself and all of the ACIJs, thank you all very much for the professionalism and dedication you show every day!
